Arcade F-1000

Gaming Arcade Stick

The new gaming arcade stick from Genius, *Arcade F-1000* is your best partner for professional gamers who want to take down their opponents in games like Street Fighter X Tekken and Call of Duty: Modern Warfare. Arcade F-1000 works with both PS3 and PC systems as well as the latest Windows 8 platform. The turbo function and 13 access buttons allow gamers to outperform others in the most competitive action and shooting games. The durable metal base increases the heft for a solid and secure feel when draining your foe's life bar. The Arcade F-1000 comes with a three meter cable as well as a one meter extension cable for playing in a larger area.

Features:

- Standard 4-axis 13-button joypad
- Supports TURBO function
- Arcade style controller for PlayStation 3 and PC
- Great for Fighting, Action, and Shooting games
- 3M cable and 1M extension cable for flexible use
